

Directions:

By car: From the North or the South, take the SS1 highway, exit at Cecina (not Cecina Nord). If coming from the north, at the end of the exit ramp, turn right, direction "Volterra". You'll come very quickly to a roundabout; go straight through it and under the overpass. If coming from the south, at the end of the exit ramp turn left, direction "Volterra (this is after the overpass, so you will not go through the first roundabout)". The speed limit on this highway is 90 km/hr, and there is a camera that will take a very expensive photo of you if you exceed the limit by even 1 km/hr. Continue 3.3 km to a second roundabout. Take the road to "Montescudaio" (the first one – SP28 on the map below), go 3.4 km and watch on the left for the signs "Fattoria San Giovanni" and "Fattoria La Prugnola". Turn left onto the narrow asphalt road, go down the row of olive trees and make the first left turn. Go down the hill through the forest and take the first road to the left; there is a sign on the tree for "Podere Santa Chiara". Follow the gravel road down the hill and around the sharp curve to the right to our gate; it's the first house you'll see.
